

Hi everyone, and welcome to spring!! Did you know? According to a research at an English university, it doesn't matter in what order the letters in a word are, the only important thing is that the first and last letter is at the right place. The rest can be a total mess and you can still read it without any problem. This is because we do not read every letter by itself but the word as a whole. – Hopefully this means you'll read straight over any mistakes I make and won't even notice!!!! (That little paragraph just gave the Spell Check a BIG headache.)

Thanks very much to Delungra Playgroup, who have donated \$100 to the Newslink, and to Scott Chester for his donation of paper. Your support is greatly appreciated.

Please leave your notices in the Newslink box at the Post Office, or Fax them to 67 248395, or Email: rockvale@northnet.com.au. by the last Tuesday of each month.

News from Delungra Public School Principal

There are many exciting events happening at Delungra Public School before the end of term. Next week is Education Week, and to celebrate we have our relay team- Sarah Trobiz, Jordan Shearing, Nathan Barrett and Chris Wood - competing in regional finals at Tamworth. Along with them we have James Ballinger and Sarah Trobiz competing in individual events. These students have been training everyday at school and everyone knows they will do their best at Regional finals. On Friday of Education Week (10th September) we are having a combined celebration of Education Week and Book Week. Students are invited to dress as a book character. Following our Book Week character parade, students will rotate through a series of activities highlighting special features of some of the Short- Listed books. Parents are invited to join us on the day, help out with the activities, visit the Book Fair which Mrs. Irwin and Mrs. Jorgensen will be holding in the Library, and then stay and join us for a sausage sizzle lunch. We look forward to seeing many parents at school on Friday, helping us to celebrate Book Week and Education Week.

On the second last Friday of term, Delungra Public School will be hosting the Small Schools' Fun day. This year the theme is the 'Year of the Built Environment'. We will have students from six other small schools joining us on the day and participating in a variety of activities based on a construction/building theme. Parents are most welcome to join us for the day, or just come along for a little look. Our final event will be a Tug-a-war Round Robin where schools will compete against each other, with one school being the ultimate winner.

Many of our Delungra Public School students have been displaying excellent behaviour. All the staff is very proud of these students and congratulates them on their responsibility and commitment.

If you get the opportunity, please come along and join us at any function – parents are always welcome. If you would like to help out at school by listening to students read, please contact the office to organize a suitable time and run through the necessary requirements and regulations for being a parent helper.

Delungra Women's Bowling Club News.

We had our committee meeting Tuesday, 24th August at 1.30pm. We have a few clubs to visit. We will be having our Patrons and Triples Day on 21st September. Hope it's a nice day. We hope all our bowling ladies who don't feel too well will be up and about. Our next meeting will be 20th September at 1pm. I hope to be back bowling soon.

Delungra Truck Stop.

We would like to take this opportunity to thank the locals of Delungra who have supported us over the last nine years. We wish *Debbie* and *Jeffery* all the very best and know the Truck Stop is in good hands and it will be business as usual.

It is now time for us to move on to our next stage in life, whatever that holds. To those of you who have also been friends we would like to thank you for the friendship you have shown to "blow-ins", which is what country life is all about.

Pat and Dave.

Thank You.

We would like to thank *Dave* and *Pat Saunders* for their service over the last nine years, and wish them all the best at Tamworth.

Jeff and Debbie Larken.

Delungra District Development Council.

The last meeting of the Delungra District Development Council was held at the Bowling Club on Tuesday 10th August and the following items were discussed:-

B.M.X. track - It was decided to pass this item on to Scott Chester as he is more aware of the children and their parents who could be involved. A plan needs to be formulated and there is a possibility that a Grant could be obtained.

Our Development Application for Railway Park is again in the hands of Inverell Shire Council after some modifications were made to the toilet block.

Paul Henry at Inverell Shire Council is filling in the required forms to be sent back to Bob McKillop.

A letter has been sent to Inverell Shire Council regarding the state of the footpaths in Delungra, pointing out that our Senior Citizens walk on the roadway rather than the rough footpaths.

Delungra Senior Citizens News.

We had our bingo, trading table and committee meeting on Thursday 18th August 2004, starting with bingo at 10am. We had 14 players which was good. We stopped for a finger lunch and then had our meeting, followed by the trading table which was well patronised. We will be having *Tanya Mills* a Primary Health Care Nurse as guest speaker at our next meeting starting at 12.30pm on 16th September. We have made arrangements for our Xmas party!!, with the tentative date 29th November. Our senior citizens week will be from 13th to 20th March 2005. We hope to have our special day on the 15th March, but will tell more as the time gets closer. All our members who are a little off colour, cheer up, spring is just around the corner. The winner of our raffle was *Val Edwards*.

Delungra CWA News.

Last meeting we all brought along a cutting from our garden to swap with someone else. We also brought a no-bake slice for afternoon tea. We are really pleased at the level of use of our rooms at the moment. It makes the effort of finding money for rates upkeep etc. much easier and also more worthwhile. A BIG thank you to the Playgroup Mums, and their gardener, who are doing a great job of keeping the grounds and gardens. They look really lovely. We hope to get a greater variety of books for the library in the near future. Anyone interested in joining our meetings can phone me on 67248365 for details.

CRIME REPORT

Each month I hope to bring to you information on what's been happening in and around Delungra. By spreading this information, you may be able to assist to solve some of these crimes.

I would like to begin this months report by congratulating everyone for their efforts in relation to the wearing of seat belts. Last month I reported that this issue was causing concern however it is pleasing to report that minimal problems have been detected. The wearing of seat belts will be monitored for the next couple of months, however I encourage you all to click clack front and back.

The matter of the missing water from the disused service station in Inverell Street has been finalised. I can only hope that this matter does not need re-investigation in the future.

Roaming dogs has resulted in numerous complaints over the past month. Some complaints have been quite serious and have involved roaming dogs attacking a group of horses in the vicinity of Gleno/Wallangra Street. The dog involved in this attack has been described as a black dog about the size of a collie. The dog was wearing a red collar. The attack resulted in one horse becoming lame and unavailable for upcoming camp drafts and other riding events. Dogs caught attacking other animals will be destroyed. Another complaint saw a dog bail up a group of school children in the laneway behind Burnett Street. This is viewed very seriously and dogs of this nature can be declared as dangerous dogs with orders for destruction being made by the Courts. Roaming dogs are becoming a concern and the law states that a dog must be on a lead when being walked. I have no problems with people walking their dogs which are not on a lead, providing the dog owner or person in control of the animal is with it at all times. I do have a problem with dogs that just wander freely and cause fear or disruptions to other local residents. The Inverell Ordinance Officer and Police will attempt to address this issue, so I encourage you to make sure your premises are secure to prevent your dogs from escaping (if you own any). Any dogs found wandering at large will be impounded by either police or local Ordinance during random patrols. If you happen to own a dog which gets impounded, it could become an expensive exercise in relation to fee's and/or fines. Please address this issue before your dogs get impounded.

On a crime front I can report on the following:

On the 24th July 2004, following a domestic disturbance in Burnett Street Delungra, a 40 year old Inverell man has been charged with Negligent Driving and Burnout offences. This person will appear at the Inverell Local Court later this month to answer these charges.

On the 3rd August 2004, following a complaint received by the RSPCA office in Sydney, Police were required to attend a residence in Burnett Street Delungra to view the current state of some dogs who resided at those premises. Following preliminary investigations and examination of the dogs in question, the dogs were found to be malnourished and in need of care and treatment. The owner of the dogs agreed to voluntarily surrender the animals to Police. The dogs were conveyed to the Inverell

Pound with the intentions of finding the animals new homes. Due to the age of the dogs owner and because the owner agreed to voluntarily surrender the animals, no legal action was instigated by the RSPCA against the dogs owner.

Sometime between the 8th – 21st August 2004 a shed at the rear of a premises in Dumboy Street Delungra was broken into. The shed was padlocked however the person responsible gained entry to the shed by manipulating the padlock. From inside the shed a quantity of property was stolen, some of which is listed below;

Husqvarna 268 chainsaw, 9 inch wolf brand angle grinder, sidchrome spanners, 4 x 5 litre plastic bottles of Catrol motor oil, a Makita buffer, a Ryobi blower vac, set of taps and dies.

The same premise was subjected to prowler activity a couple of nights prior to the 8th August which could be linked to this theft.

About 9.15am on Saturday 14th August 2004, a house in Reedy Street Delungra suffered fire damage following a house fire. In relation to this house fire I praise the efforts of neighbours who woke the occupants of the premises to alert them of the fire. This incident should be viewed as a timely reminder to ensure that all houses are sufficiently equipped with fire safety devices (alarms etc). Thankfully no one was injured. The fire was extinguished by the Delungra Rural Bush Fire Brigade.

Between 8.30pm Sunday 23rd August and 8.30am Monday 24th August 2004 a "Brumby" green king size swag was stolen from the rear yard of a premises in Railway Street Delungra. Two males were sighted around 2.00am Monday morning, walking in the vicinity with something in their possession. I can only hope that this 'borrowed' swag is returned before further action results.

On the 25th August an 86 year old Delungra man was caught driving a motor vehicle without a licence. His licence has been cancelled by the RTA for various reasons. Despite being cancelled the 86 year old continues to drive and will again find himself appearing in Court later this month.

Over recent weeks, predominantly of a Friday nights (early hours of Saturday mornings), some premises in the vicinity of the Local Hotel have had their rooves rocked with oranges. This sets a dangerous precedent and can cause structural damage. If anyone is caught performing these types of acts, they will be charged with the offence of "Throw Missile" and will have a date with the local magistrate to answer for their actions.

On a final note the Local Area Command Youth Liaison Officer, Fiona McCormack and I, attended Delungra Public School on Wednesday 11th August 2004 to address the students in issues relevant to 'bullying'. All students were very supportive of the program. Fiona, I and other Police will be returning in November to run a bicycle safety education program. We are hoping that Gum Flat Primary School can join us for this education program.

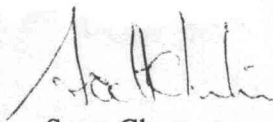

Before concluding I would like to take this opportunity to wish Brendan JONES the best of luck as he competes this month in the Grafton to Inverell Cycle race. Brendan

is a local and will not only be representing Inverell but Delungra in this prestigious event. I am sure that Brendan will ride the race of his life and regardless of the outcome will do himself, his family and community proud. Lets all get behind Brendan as he competes in one of the hardest road races known to man.

Mark the 10th October on your calendars. I will be holding a Police and friends charity golf day at the challenging, yet picturesque Delungra Golf Course. The event will be a three person ambrose event, commencing at 10.30am with a shot gun start. I would like to thank all the local Business Houses, whom so far have made donations towards this years event. Anyone still wishing to make a donation towards the golf day can contact me at the Delungra Police Station. Any donations (cash or prizes) will be greatly appreciated. The golf day could not proceed with community support and so far, donations received have been encouraging. All money raised will be put back into the Delungra community.

The family fun nights are gaining momentum. I am in the process of making inquiries into starting up a Delungra Blue Light. If successful, it will allow Discos to be run for the kids of our community. It will also provide increased insurance and allow our group to look further a field and run outer town activities (bus trips). I'll keep you posted on this one, at this stage only preliminary inquiries have been made.

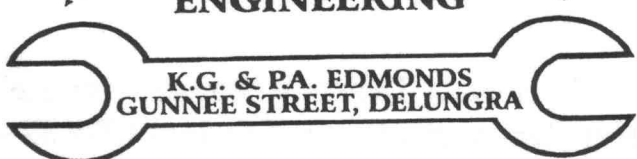

Don't forget that I have a notice board at the front of the Delungra Police Station. Should you attend the station and I am out on patrols (or not working) leave me a message and I will endeavour to contact you at the first available opportunity. If you attend for an urgent matter and I am not present, try the residence or contact Triple "O" (or Inverell Police Station on 67220599). Lets work together to keep our town safe, fun and a great place to live.

DELUNGRA GIRL GUIDES

Thanks to everyone for supporting our recent Trivia Night at the Bowling Club. The night was a great success and enjoyed by everyone who attended. A special thanks to those who helped us with this night. The Delungra Bowling Club, Peter Caddy, Raymond & Annette for scoring. Also thanks to those who donated prizes, the Watson and Savage families, the Wilson family at the Tatts Hotel in Inverell, New England Estate Winery, & Pat Schofield. Many thanks to Virginia Rainger who was the main organizer and who also donated prizes. Thanks again Virginia.

Our raffle was won as follows - First Prize Sid Bates, 2nd Prize Karlee Watson and 3rd Prize Natalie Simula.

The Guides have continued to be busy this month working on their Rice Badge. It is the International Year of Rice this year. Unfortunately our Outdoor Skills Camp at Copeton had to be cancelled due to a broken water pump but we are hopeful this may still happen before the end of the year.

Thank you everyone who continue to support our Guides.

Community Health News.

Greetings to Delungra Residents.

Footcare dates for the next three months are as follows: September 23rd, October 28th, November 18th.

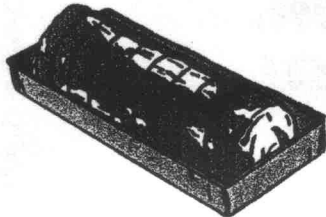

Supporting Your Liver.

You can support your liver by watching what you eat and drinking sufficient water, but you can also give it an extra helping hand by using herbs such as:

- ❖ Milk Thistle – a wonderful herb for the liver. Not only does it improve its function but it also helps to protect the liver itself and has good antioxidant properties.
- ❖ Dandelion Root – a beneficial herb for the liver and is a blood purifier.
- ❖ Globe Artichoke – helps to protect and support the liver. It is especially indicated where there are raised cholesterol levels.
- ❖ Schizandra – is a traditional Asian herb used as an adaptogen to increase the body's resistance to stress and disease. It protects the liver and improves its detoxification processes.

Have a great month.
